### **Lang Co - from one of the most beautiful bays in the world**

Located between two famous tourist cities, Hue (60km to the south) and Da Nang (40km to the North), Lang Co (Phu Loc District, Thua Thien - Hue Province) is an almost pristine bay located directly below the foot of Hai Van pass. With the charming natural landscape, stretching on the most beautiful curved coastline in the country, this place has been voted and admitted to the list of 30 most beautiful bays in the world of Worldbays Club since 2009.

From nearly 100 years ago, Lang Co was already one of the landscapes named by King Khai Dinh “fairy future scene”, where he used to build the summer palace of his royal family. Since ancient times, this place has been evaluated as having enough advantages to develop high-end resorts with vacations in pristine nature, separating bustling urban life to find the balance for the body and soul.

### **To the transformation when the 5-star resort appeared**

Foreseeing the enormous tourism potential of Lang Co, Banyan Tree Group (Singapore) chose this land to develop and operate two high-end resorts Banyan Tree and Angsana Lang Co, thereby turning Lang Co become the center of attracting domestic and foreign tourists when coming to Central Vietnam, especially Hue and Da Nang.
