Organic Fertilizer

In line with the trend toward sustainable agriculture, Impact offers high-quality organic fertilizers that enhance productivity and the quality of Vietnamese crops:

Highlights:

- **Natural origin:** Made from composted manure, organic humus, and seaweed—safe for soil, crops, and humans
- **Soil improvement:** Enhances soil structure, water retention, and root development
- **Balanced, sustainable nutrition:** Slowly released nutrients help plants grow healthily and resist pests
- **Eco-friendly:** Reduces environmental impact and protects agricultural ecosystems
